## Which Would You Choose?

If you were offered your choice of either a Columbia Grafonola—A Victor Victrola or an Edison Phonograph which one would you select? Wait! Don't answer—Let us first hazard a guess as to what your reply will be. We think you will say "Well I would have to hear all three of them played before I could properly decide"—and that is just exactly what we wish to have you do. We have the three machines in all of the new models from \$35 to \$200 and we would be glad to play some of your favorite airs on each one in turn, in order that you may compare their relative merits.

Why not step in tomorrow?

YOUR BUSINESS, LARGE OR SMALL, INVITED.

What are girls thinking of who limit their companionship with men, as many of them do, to light flirtations and banter, or to a kind of bridled antagonism, or who remain shy, self-conscious, shut off from them altogether? Such girls are independent of men! Upon my word, yes—pitifully so, it seems to me!

Give Him Time. Platform Man—Yes, young man, if you want my private opinion, you'll never make a good guard. Young Probationist—Why, sir? Platform Man—Why, you can't even call out the names of the stations intelligently.
